TRADE PRICE LIST

Of Choice Young Nursery-Grown Ornamental
Trees, Vines, Perennial Plants and Bulbs
Fruit Trees and Small Fruits

ATLANTIC NURSERY CO.

INCORPORATED

BERLIN, MARYLAND.

ANNOUNCEMENT TO THE TRADE,—

Our seedling orders are filled direct from the ground—**No Cellared or Stored Stock.** You get your plants and trees fresh and alive. This means much to you. Early orders will please us, and you may rest assured we will do our best to please you.

Prices in this list abrogate previous quotations, and are subject to change without notice.

Prices in this list are for the trade only and are subject to the stock being unsold when order is received. Orders are subject to loss by frost, hail or any other cause over which I have no control. Prices include careful packing in the best manner. Boxes and barrels at cost. 250 of a kind at the thousand rate. Special prices on large quantities. Send us your list of wants and we will gladly price them.

In No Case will we be responsible for goods after consignment to purchaser and delivery to forwarding agent. When losses occur by delay or other cause, of whatever nature, while goods are at terminals or in transit, make claim at once on forwarding companies.

A CLEAN BILL OF HEALTH from the State Entomologist accompanies all orders. The greatest care is exercised to have and keep everything true-to-name and as represented. We will replace all that prove otherwise, or refund money paid for same. But in no case shall we be liable for a greater sum than originally paid.

TERMS—Cash, or satisfactory reference from unknown parties. 2% discount for cash; 30 days net. On all bills overdue interest will be charged.

ROBERT J. SHOWELL, President.

Besides the stock mentioned in this list we are in a favorable position to supply dealers with a full line of Fruit and Ornamental stock, and will be pleased to receive your want list. We also have a good many items in small quantities not mentioned in our list. Prices subject to correspondence.

Your Special Attention is called to the fact that **We are Strictly Wholesale Growers** and make a specialty of lining out stock for **Nurserymen and Florists**. We grow **Very Few** large trees for the simple reason that our stocks are absorbed by the leading Nurseries of the Country. When you buy of us you get **the best**; not left overs from a retail trade or what we do not care to plant ourselves to grow on. We started to grow this kind of stock years ago; we have increased our plantings every year and we have no surplus at the end of season. **Are you on?** Can't we help you in some way? Send us an order this season. We have had a splendid growing season and our stock is fine.
